Goddess: A woman who is greatly admired or adored.

For centuries women have joined in sacred sisterhood communities to celebrate life and death, witness joys and losses. Relish in the divine feminine amongst fellow women; join in ceremony to create and share your upcoming desires & intentions and to let go of the past. Participate in this powerful Full Moon circle, which offers cleansing, clearing, and new beginnings...where women recognize each other as sisters.

Renewal. Rejuvenation. A sense of self. A sense of belonging.
In honor of what's sacred.

Facilitated by Robin Peglow, SOLH Coach www.signsoflifehealth.com
